TWO MORE FOR ROOSEVELT

Official Ohio Count Gives Colonel 34 and Taff 8 Delegates.
Columbus, Ohio, May 24.—Colonel Theodore Roosevelt gained two more delegates in the Ohio primaries Tuesday than has been accorded him, according to the official count to-day from the Thirteenth District, making him thirty-four delegates to President Taff's eight. The official count shows that Thomas Maxwell and W. A. Geer, Roosevelt delegates, were elected by slight majorities.

The error discovered in the Fifteenth District, which gives Colonel Roosevelt both delegates from the Fifteenth, was offset by the loss of one in the Sixth, E. E. Eulass, for Taft, defeating W. H. Baum. There has been no change in the Democratic standing, Harmon holding thirty-one to Wilson's eleven.
